MEMORANDUM FOR THE RECORD

STATOTHR

**SUBJECT: Security Clearance for [REDACTED]
of Senator John Sherman Cooper's Staff**

STATOTHR

[REDACTED]

2. In view of this, the Director said he plans to raise the matter during his upcoming conversation with Senator Russell after which the Director will decide whether the Director or I should explain to Cooper that it is Agency policy, supported by the White House, that sensitive intelligence briefings not be available to staff members of individual members of Congress.
